It was smaller than I expected -- with 1001 things to spot, I expected a book with more pages, but since I got it for traveling, it was actually a good thing that it was thinner than anticipated. We love Usborne books, and the drawings in this one will look familiar to anyone who is familiar with their books -- they have a very distinct, cute look.

I love the Usborne 1001 Things to Spot books, they have so many fun things for kids to do packed into one book. Every page has certain things to spot and numbers of how many there are to spot - great for inforcing number recognition. Also there are tons of other things they hide on the pages for kids to spot. Great book!
