Taming the Boy Next Door Caleb Allen was your typical boy next door. Growing up in a prestigious suburb of Los Angeles, he lived a life most only dreamed about. As one of the original Moretti men, he caught the eye of countless women with his clean cut good looks and chivalry. But behind closed doors, he commanded attention, becoming a dominant force that was anything but timid. After a misunderstanding that jeopardized the wellbeing of the group and a near fatal accident that nearly cost him his best friend, Mark Moretti, Caleb was determined to become the loyal and devoted man he had been in the past. The minute Dr. Jena Turner stepped from the ICU with news of Mark's condition, Caleb's world spun off its axis. Several chance encounters only deepened his desire to make her his. He longed to prove that the life he preferred was one of pleasure and passion. But, Jena Turner has a secret that haunts her. Hiding from her past, a simple moment in the heat of passion sends her running in fear. An unlikely confidant can either push her back into Caleb's arms or give him a taste of his own medicine. Can Jena step into a lifestyle that reminded her of the darkest day of her past? Broken and defeated, Caleb questions everything he knows about love. Can he prove to Jena that love is worth the risk or will he watch her walk out of his life forever? Justin Cooper wasn't always the straight-laced Holiday Elementary School principal. In his youth, he broke all the rules and enjoyed being the bad Cooper brother. One Christmas Eve night he got a little too rowdy and things changed forever. Now the consequences of that fateful night have come back in full force and the myths of Christmas might be more real than he thought. Rina Brewer is one of Santa's elves. Not the tiny cute little toy maker, but the sexy, petite, energy filled bombshell kind. She's come to Holiday to aid Justin in his new role as Santa's executive, but as soon as she sees the sexy ex-bad boy, she realizes the job may be more than she bargained for. As they work together to make this Christmas one to remember, an old foe has come to town to make sure that this holiday is the coldest yet. Warning: Contains a perky elf who dreams of something more, a Christmas myth who may be a baddie, and a sexy ex-bad boy who craves Christmas cookies...and a certain perky blonde.

Last summer, three very different girls—wild Murphy, perfect Leeda, and shy Birdie—etched their initials on a Magnolia tree at Darlington Peach Orchard to symbolize that they're friendship will last forever. But can it survive the less-than-peachy year ahead? Murphy, more in love with Rex than ever, is torn between her big-city dreams and following her heart . . . all the way across the railroad tracks and into Rex's arms. Leeda, nominated to be Bridgewater's Pecan Queen, basks in the rose-scented glow of her Ice Queen mother's sudden affection—until her sister, the princess, returns. Birdie, happy for the first time, wants nothing more than to make time stand still. Too bad everything is changing, whether she likes it or not. The sweet trio of Georgia girls that made Peaches a national bestseller returns in this delicious and satisfying sequel. This year, Murphy, Leeda, and Birdie discover that bitter endings can lead to sweet new beginnings . . . and that the orchard that brought them together will always be a part of them—even if they leave it behind.

Using our favourite Springfield family as a case study, Watching with The Simpsons examines the textual and social role of parody in offering critical commentary on other television programs and genres. Jonathan Gray brings together textual theory, discussions of television and the public sphere, and ideas of parody and comedy. Including primary audience research, it focuses on how The Simpsons has been able to talk back to three of television's key genres - the sitcom, adverts and the news - and on how it holds the potential to short-circuit these genre's meanings, power, and effects by provoking reinterpretations and offering more media literate recontextualizations. Examining television and media studies theory, the text of The Simpsons, and the show's audience, Gray attempts to fully situate the show's parody and humour within the lived realities of its audiences. In doing so, he further explores the possibilities for popular entertainment television to discuss issues of political and social importance. A must read for any student of media studies.
