The first of its kind, Abina and the Important Men is a compelling and powerfully illustrated “ graphic history ” based on an 1876 court transcript of a West African woman named Abina, who was wrongfully enslaved and took her case to court. The book is a microhistory that does much more than simply depict an event in the past; it uses the power of illustration to convey important themes in world history and to reveal the processes by which history is made.

The solidly researched work of Schechter (Obstinate Hebrews: Representations of Jews in France, 1715 – 1815) is paired with dramatic and lyrical watercolors from Clarke (Abina and the Important Men). Apparently designed with college undergraduates in mind, the title also works well for high schoolers and casual readers."
