In this new, fully updated edition, expert author Francis Crosby traces the development of fighters from World War I to the present day, and highlights actions in which fighters played a crucial role. The A–Z sections form an illustrated guide to over 170 fighter aircraft. The first covers aircraft from the pioneering days of air fighting in World War I through to the early jets at the end of World War II, and the second focuses on the remarkable advances of post-World War II, mainly jet, ...
