Great Writing bridges the gap from ESL writers to mainstream writers! The Great Writing series uses clear explanations and extensive practical activities to help students write great sentences, paragraphs, and essays. Each book contains a wide variety of writing models in carefully selected rhetorical styles that provide practice in working with the writing process to develop a final piece of writing. * An all-new level, Great Writing Foundations introduces students to the basics of sentence structure, grammar, spelling and vocabulary for writing.* Impactful National Geographic images open every unit and help to stimulate student writing.* Updated "Grammar for Writing" sections help students apply target structures to the writing goals.* "Building Better Vocabulary" activities highlight words from the Academic Word List and encourage students to use new words in their writing.* Student writing models help students focus on specific writing skills and multiple rhetorical structures

Eighteen-year-old Eli discovers a shocking secret about his life and his family while working for a Nobel Prize-winning scientist whose specialty is genetic engineering.

The reclusive elvenlord Kyrlian finds himself caught in the conflict between some of the powerful elvenlords and their rebellious sons and he embarks on a quest to find the Great Portal, his own missing father, and the secret of his origins.

Having chickens in your life is so hot right now. If you're not obsessed yourself, you know someone who is. Within a few years, keeping backyard chooks has gone from being something your nonna did, to the mainstream. Chickens are in inner-city backyards and comedy gigs, old people's homes and poultry shows, prisons and weddings. Regional poultry clubs have been revitalised by the influx of tree-changers and hipsters intoxicated with exotic heritage breeds. Rescue chickens are the new black, and the perfect feel-good accompaniment to your rescue dog. Chickens are an essential component of the permaculture, locavore, sustainability, self-sufficiency and low food mile movements. Chickens are owning Instagram. Chickens are everywhere. A collaboration between writer, comic and chicken owner, Fiona Scott-Norman, and acclaimed photographer, Ilana Rose, *This Chicken Life* is a collection of stories about chickens and the Australians who love them. You'll meet Jareth Bullivant, an animal liberationist who takes his rescue broilers Twistie and Sephiroth to the beach. Nik Round, a Victorian advertising executive who is focused on saving a heritage breed. Summer Farrelly from Queensland, a twelve-year-old with autism who connects with the world through her chooks and has started a chicken therapy program. Shane Secombe, who rescues the unwanted roosters of Alice Springs and gives them a second life at the prison. And Adele Scott, a burlesque performer and interior designer with tattoos and a permaculture garden. Oh, and Costa. Funny, joyful and moving, *This Chicken Life* unpacks an obsession and a love affair. Chickens and humans, heart to heart, face to beak. This is no fad, it's a way of life. This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

In *A Bigger Picture*, the bestselling political memoir of 2020, Malcolm Turnbull, Australia's 29th prime minister, tells the remarkable story of his life. Now in paperback, this edition is updated with an all-new foreword by the author that sheds light on the huge political and cultural changes happening today. When Malcolm Turnbull took over the nation's top job there was a sense of excitement in Australia. Sky-high opinion polls followed as the political outsider with a successful business, legal and media career took charge. The infighting that had dogged politics for the best part of a decade looked to be over. But a right-wing insurgency brutally cut down Turnbull's time in office after three years, leaving many Australians asking, 'Why?' Exceptionally candid and compelling, *A Bigger Picture* is the definitive narrative of Malcolm Turnbull's prime ministership. He describes how he legalised same-sex marriage, established Snowy Hydro 2.0, stood up to Donald Trump, and many more achievements – remarkable in their pace and significance, and delivered in the teeth of so much opposition. But it's far more than just politics. Turnbull's life has been filled with colourful characters and controversies, success and failure. From his early years in Sydney, growing up with a single father, to defending 'Spycatcher' Peter Wright against the UK government; the years representing Kerry Packer, leading the Republican Movement and making millions in business; and finally toppling Tony Abbott to become prime minister of Australia. For the first time he tells it all – in his own words. With revelatory insights on the workings of Canberra and the contentious events of Turnbull's life, *A Bigger Picture* explores the strengths and vulnerabilities of one of Australia's best-known and most dynamic business and political leaders. Lyrically written in highly readable and entertaining prose, this is a genuine page-turner that's not just for political junkies.

Nobody said finding your fated mates meant an instant happily ever after. But for Aurum, an immortal gold dragon gifted with the power of psychic empathy, love has never been simple. Night after night, she has endured prophetic dreams about her pair of lovers, but finding them brings her no respite-the beautiful satyr, Calder, abandons her upon their first meeting, forsaking love for revenge, while royal ursa Nicholas... Well, he looks nothing like the dark-haired man Fate promised her. So why does she find him so irresistible? As war between ancient allies darkens the horizon, Aurum realizes the long-lost prince may hold the key to solving both her and Calder's problems, bringing together the fated mates for good-as long as he doesn't get them all killed first. Their Fated connection doesn't make things easy. But for Aurum, Calder, and Nicholas, victory might just go hand in hand with surrender where matters of the heart are concerned.

02

Tool kit foam is perfect for the visual management of tools and small items around the work area. Create your own tool management system using these foam sheets. This shadow board foam is fully customizable to the items at your work station and can fit easily in a drawer, tool box, or on the wall. It makes keeping track of tools and keeping them in their proper spots effortless. Simply trace and cut the shapes of the tools on the top piece of foam and use a heat gun to adhere it to the bottom piece. Use this kaizen foam or lean foam anywhere you need organization and management of items.
