A bilby is a shy, nocturnal marsupial, unique to Australia. It has a grey and white silky coat, long, sensitive ears and a pink pointed nose. It has thick claws and strong forelimbs that enable it to dig rapidly in the desert soil. It is about the size of a cat, with the male growing up to half a metre in length from tip to tail, and weighing around one to two and a half kilos (just under six pounds).

This shy little marsupial has a grey and white silky coat, long sensitive ears and pink pointed nose. With huge rabbit ears and soft grey fur it's easy to see the resemblance to rabbits, but that's where it ends. The bilby is also known as the rabbit-eared bandicoot. In earlier times, the guardians of the land knew that the bilby could be found all over Australia, but nowadays they can only be seen in certain remote places.
