~~Denis includes stories of real-life situations that serve as thoughtful examples of the traits (aka "seeds") he puts forth as necessary for greatness. I found my own pursuit of happiness was founded on ideas inspired by a collection of thoughts from philosophers (primarily the Greeks), sociologists (ex. Max Weber's Protestant Ethic and the Spirit of Capitalism), and a few books such as SOG. Collectively, these readings focused my goals and clarified my life strategy.~~

Seeds of Greatness (SOG) is a good addition to the self-help genre, but I would suggest readers contemplating life will not find SOG to be the ONE book that replaces others. Denis includes stories of real-life situations that serve as thoughtful examples of the traits (aka "seeds") he puts forth as necessary for greatness.

Bestselling author Denis Waitley offers timeless and timely advice on how to apply his philosophy to the digital age and attain personal and professional excellence today. ". . . a compelling game plan for winning at life . . ." - MEHMET OZ, M.D., Emmy-winning Host, The Dr. Oz Show "Denis Waitley has played a pivotal role in helping grow a small cellular nutrition products company into one of the largest, most respected direct sales companies in the world, with annual revenues surpassing \$1 billion, while creating millions of customers globally. For over twenty-five years his psychology of winning principles have been ingrained in the DNA of our corporate culture through his inspirational, practical teachings as our primary spokesperson. We look forward to *The New Psychology of Winning*, combining timeless wisdom—gained from his fifty-year career as a pioneer in the personal development industry—with fresh, new insights and strategies to lead and succeed in this fast forward digital age." - KEVIN GUEST, CEO and Chairman of the Board, USANA Health Sciences, Inc. Denis Waitley, bestselling author of *Seeds of Greatness*, *The Psychology of Winning*, and *The Winner's Edge*, is one of the most respected and listened to voices on high performance achievement. In *The New Psychology of Winning* he offers timeless and timely advice on how to apply his philosophy to the digital age and attain personal and professional excellence today. The world has changed to be almost unrecognizable since he recorded his original bestselling classic in the 1970s—going from the late industrial age to the digital age and beyond. How has this digitization affected Denis's original message? How have the current trends in the marketplace affected those seeking entrepreneurial success? How does this change affect our personal and professional life today? In his patented, authentic, accessible, personable style, Denis will answer these questions and show you how you can be a twenty-first century winner!

Part vocational pep rally, part how-to book, in *What Makes the Great Great*, bestselling author Dennis Kimbro explores the strategies and thought processes of successful African-Americans. *What Makes the Great Great* elaborates on the inspiring message Dennis Kimbro put forth in his first book *Think and Grow Rich--A Black Choice*. Through dozens of interviews and the inspirational stories of people like John H. Johnson, Publisher of *Ebony* magazine, Condoleezza Rice, Provost of Stanford University, and Ann Fudge, President of Maxwell House Coffee, Dr. Kimbro outlines the nine strategies that determine success. According to Dr. Kimbro, being great depends on a commitment to making dreams come true: "All high achievers make choices, not excuses." We all have the seeds of greatness in us, and his book gives readers the tools to discover and nurture those seeds, showing them how to motivate themselves to master every aspect of their lives.

Imprint. Denis Waitley, a distinguished motivator, teacher and US air force pilot, has spent most of his life showing people how they can win. He creates the formula to develop the qualities of a total winner - self-awareness, self-esteem, self-control, self-motivation, self-image, self-direction, self-discipline, self-dimension ...

Empires of the Mind is a revolutionary book that offers answers to men and women interested in "reengineering" their jobs as well as their corporations. Providing dozens of specific techniques and tools for maximizing personal potential, Denis Waitley uncovers the key foundations of authentic self-leadership and delivers career-enhancing strategies on how to thrive on risk and adversity, inspire yourself and others to maximum performance, become more powerful by sharing power, and much more. With *Empires of the Mind*, you learn how to get ahead and stay ahead in a fast-paced world where the only rule is change.

How does a champion think? An authority on high-level achievement, Denis Waitley has studied the amazing similarities in the mental strategies of great champions in both business and sport. Distilling years of research into the psychology of winning, Waitley shows how you can make these mental traits your own and outlines a 21-day program for doing so. Among the topics covered in *The New Dynamics of Winning*: Focusing your mind for peak performance anywhere, anytime; How paying the price prepares you for success. How to use stress to your advantage; Prevalent self-destructive beliefs; The psychology traits of those who become winners; A guide and an inspiration to achieving your personal best, *The New Dynamics of Winning* offers clear, no-nonsense advice on what it takes to succeed in any field of endeavor.

Psychology of Success defines the fundamental psychology principles of success—principles applicable to everyone regardless of age, major, background or specialty. Unlike many books, *Psychology of Success* doesn't take a one-size-fits-all approach; rather it asks students to take an active role in defining what is right for them as an individual. It calls on students to use self-awareness and critical thinking to examine their dreams, values, interests, skills, needs, identities, self-esteem, and relationships and to set and achieve goals based on their personal vision of success. It introduces key concepts of psychology and offers creative exercises designed to help students understand these concepts and apply them to their lives. A workbook as well as a textbook, *Psychology of Success* offers simple yet effective strategies for self-improvement.

A fulfilling life is possible despite the challenges we may have to face. This book offers that hope to others through timeless principles and inspiring stories presented as seventeen "seeds" that lie within us,

waiting to be cultivated. Readers are challenged to take the necessary steps to create the life of their dreams as well as a better world for all.
