Selling for Dummies Disc 2*Great Business Skills Show- Becoming A Wealthy Person /Podcast Business Skills For Dummies Two*

Design Thinking: The Customer Journey. When targeting potential customers during the design thinking process, it's important to figure out the customer journey. For the customer journey, imagine which steps a potential customer (preferably, in the form of a concrete persona) experiences before, during, and after using a product or service. Create a description of the target person using the Persona method, and supplement it with an empathy map. You...
