The First World War marks a crucial period in the history of the socialist wing of the British labour movement. This book is an account of the development of the political ideas and activities of some of the most influential British socialist thinkers of that time: Beatrice and Sidney Webb, R. H. Tawney and G. D. H. Cole. The first part of the book examines the state of the Labour movement and of socialist ideas on the eve of the conflict, then turns to the central question of the impact of the War on the dissemination of British socialist ideas.

The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War, from the 'politics of respectability' behind animosities and discourses; to the intersection of social conflicts with political violence; to the social dimensions of the war's messy aftermath.

A maverick, unionist district in the heart of the Old South? A notorious county that seceded from the Confederacy? This is how Jones County, Mississippi, is known in myth and legend.

Online Library Common Paper Free State March 2014 Grade 11 Maths Literacy Question And Memorandum

Since 1864 the legend has persisted. Differing versions give the name of this new nation as Republic of Jones, Jones County Confederacy, and Free State of Jones. Over the years this story has captured the imaginations of journalists, historians, essayists, novelists, short story writers, and Hollywood filmmakers, although serious scholars long ago questioned the accuracy of local history accounts about a secessionist county led by Newt Knight and a band of renegades. Legend of the Free State of Jones was the first authoritative explanation of just what did happen in Jones County in 1864 to give rise to the legend and now to a major motion picture starring Matthew McConaughey. This book surveys the facts, the records, and the history of the "Free State of Jones" and may provide the whole story.

The Irish Times is a pillar of Irish society. Founded in 1859 as the paper of the Irish Protestant Middle Class, it now has a position in Irish political, social and cultural life which is incomparable. In fact this history of the Irish Times is also a history of the Irish people. Always independent in ownership and political view and never entwined in any way with the Roman Catholic Church, it has become the weather vane, the barometer of Irish life and society followed by people of all religious and political persuasions and none. The paper is politically liberal and progressive as well as being centre right on economic issues. This history is peopled by all the great figures of Irish history - Daniel O`Connell, W.B. Yeats, Garret FitzGerald, Conor Cruise O`Brien and the paper has numbered among its internationally renowned columnists Mary Holland, Fintan O`Toole, Nuala O`Faolain, John Waters and Kevin Myers . Its influence on Irish Society is beyond question. In his book, Terence Brown tells the story of the paper with narrative skill, wit and perception. Analysis of the stance of the Times during events ranging from The Easter Rising, The Civil War, the Troubles and the recent economic recession make the book essential reading for students of Irish history, be they the general reader, the academic or amateur historian. The book will be seen as crucial to our understanding of Irish history in the past century and a half.
