including contributions from Ali Smith and Kit de Waal

The Creative Writing Coursebook, edited by Julia Bell and Paul Magrs, takes aspiring writers through three stages of essential practice: Gathering – getting started, learning how to keep notes, making observations and using memory; Shaping – looking at structure, point of view, character and setting; and Finishing – being your own critic ...

Download [PDF] The Creative Writing Coursebook

Creative writing is any form of writing which is written with the creativity of mind:

# Online Library Creative Writers Handbook

fiction writing, poetry writing, creative nonfiction writing and more. The purpose is to express something, whether it be feelings, thoughts, or emotions. Rather than only giving information or inciting the reader to make an action beneficial to the writer, creative writing is written to entertain or educate someone, to spread awareness about something or someone, or to express one's thoughts.
