[The book] offers you the opportunity to learn the language spoken by millions of people in several European countries and around the world. Let's find out about the countries, the people, and the German language.-Contents.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
