" Entirely the opposite of a happy-go-lucky rock star memoir, Dark Days is about Randy's journey, looking back on everything he went through in a land where one is not innocent until proven guilty. One does not have to be a metal fan—or even previously aware of Lamb of God—to appreciate Dark Days , as it comes from the perspective of an introspective, good-natured person trying to do the right thing "

Dark Days: A Memoir - Kindle edition by Blythe, Randy ... Being arrested in a foreign country for a crime you did not commit is a terrifying scenario and this book being an autobiography is a reflective and somber look on this horrible time in Blythes life. His writing makes the reader feel as though they experienced Czech prison and the horrors of

Memoir of the arrest, trial, and acquittal for manslaughter of Randy Blythe, lead singer of metal band Lamb of God.

In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. To protect himself, singer Randy Blythe pushed the fan away. Unbeknownst to Blythe, the young man hit his head on the floor when he fell and later died from the injury. Blythe was promptly incarcerated on charges carrying a prison term of five to ten years. Thirty-seven days later, he was released on bail to await trial. Although legal experts told him not to return to the Czech Republic to face the charges, Blythe explained that he “ could not run away from this problem while the grieving family of a dead young man searched hopelessly for answers that [he] might help provide. ” After a five-day trial, he was acquitted on March 5, 2013. In Dark Days, Blythe tells the story of his incarceration and the wild life that led up to it. As he explains, “ Most substance abuse books end with the author getting sober. My book starts there. ”

Lamb of god vocalist D. Randall Blythe finally tells the whole incredible story of his arrest, incarceration, trial, and acquittal for manslaughter in the Czech Republic over the tragic and accidental death of a concertgoer in this riveting, gripping, biting, bold, and brave memoir. On June 27, 2012, the long-running, hard-touring, and world-renowned metal band lamb of god landed in Prague for their first concert there in two years. Vocalist D. Randall "Randy" Blythe was looking forward to a few hours off--a rare break from the touring grind--in which to explore the elegant, old city. However, a surreal scenario

Read Online Dark Days A Memoir

worthy of Kafka began to play out at the airport as Blythe was detained, arrested for manslaughter, and taken to Pankr á Prison--a notorious 123-year-old institution where the Nazis' torture units had set up camp during the German occupation of then-Czechoslovakia, and where today hundreds of prisoners are housed, awaiting trial and serving sentences in claustrophobic, sweltering, nightmare-inducing conditions. Two years prior, a 19-year-old fan died of injuries suffered at a lamb of god show in Prague, allegedly after being pushed off stage by Blythe, who had no vivid recollection of the incident. Stage-crashing and -diving being not uncommon occurrences, as any veteran of hard rock, metal, and punk shows knows, the concert that could have left him imprisoned for years was but a vague blur in Blythe's memory, just one of the hundreds of shows his band had performed over their decades-long career. At the time of his arrest Blythe had been sober for nearly two years, having finally gained the upper hand over the alcoholism that nearly killed him. But here he faced a new kind of challenge: jailed in a foreign land and facing a prison sentence of up to ten years. Worst of all, a young man was dead, and Blythe was devastated for him and his family, even as the reality of his own situation began to close in behind Pankr á Prison's glowering walls of crumbling concrete and razor wire. What transpired during Blythe's incarceration, trial, and eventual acquittal is a rock 'n' roll road story unlike any other, one that runs the gamut from tragedy to despair to hope and finally to redemption. While never losing sight of the sad gravity of his situation, Blythe relates the tale of his ordeal with one eye fixed firmly on the absurd (and at times bizarrely hilarious) circumstances he encountered along the way. Blythe is a natural storyteller and his voice drips with cutting humor, endearing empathy, and soulful insight. Much more than a tour diary or a prison memoir, *Dark Days* is D. Randall Blythe's own story about what went down--before, during, and after--told only as he can.

The incredible memoir from Lamb of God frontman, Randy Blythe. In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. To protect himself, singer Randy Blythe pushed the fan away. Unbeknownst to Blythe, the young man hit his head on the floor when he fell and later died from the injury. Blythe was promptly incarcerated on charges carrying a prison term of five to ten years. Thirty-seven days later, he was released on bail to await trial. Although legal experts told him not to return to the Czech Republic to face the charges, Blythe explained that he “ could not run away from this problem while the grieving family of a dead young man searched hopelessly for answers that [he] might help provide. ” After a five-day trial, he was acquitted on March 5, 2013. In *Dark Days*, Blythe tells the story of his incarceration and the wild life that led up to it. As he explains, “ Most substance abuse books end with the author getting sober. My book starts there. ”

Larry Hollingworth, current visiting Professor of Humanitarian Studies at Fordham University in New York City, served as head of the UNHCR ' s efforts in Bosnia throughout the lengthy conflict that plagued the former Yugoslavia in the early to mid ' 90s. *Aid Memoir* follows Larry and his UN colleagues throughout multiple efforts to provide much-needed relief for besieged, isolated, and desperate communities riddled by senseless killing and aggression. The characters encountered throughout are at times thrilling, at times frightening. Larry spares no details, however troubling, and therefore shines a telling light on the reality of the situation that most will remember to have watched on their television screens.

Haunting, lyrical, unforgettable, *Girl in the Dark* is a brave new memoir of a life without light. Anna Lyndsey was young and ambitious and worked hard; she had just bought an apartment; she was falling in love. Then what started as a mild intolerance to certain kinds of artificial light developed into a severe sensitivity to all light. Now, at the worst times, Anna is forced to spend months on end in a blacked-out room, where she loses herself in audiobooks and elaborate word games in an attempt to ward off despair. During periods of relative remission, she can venture out cautiously at dawn and dusk into a world that, from the perspective of her cloistered existence, is filled with remarkable beauty. And through it all there is Pete, her love and her rock, without whom her loneliness seems boundless. One day Anna had an

Read Online Dark Days A Memoir

ordinary life, and then the unthinkable happened. But even impossible lives, she learns, endure. *Girl in the Dark* is a tale of an unimaginable fate that becomes a transcendent love story. It brings us to an extraordinary place from which we emerge to see the light and the world anew.

"A minor classic in its laconic, spare, compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history."—Arthur M. Schlesinger, Jr. During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba, few people shared the behind-the-scenes story as it is told here by the late Senator Robert F. Kennedy. In this unique account, he describes each of the participants during the sometimes hour-to-hour negotiations, with particular attention to the actions and views of his brother, President John F. Kennedy. In a new foreword, the distinguished historian and Kennedy adviser Arthur Schlesinger, Jr., discusses the book's enduring importance and the significance of new information about the crisis that has come to light, especially from the Soviet Union.

*****THE SUNDAY TIMES TOP 5 BESTSELLER***** The tell-all memoir from the loudest, proudest Spice Girl – and the truth behind the headlines. As one-fifth of the iconic Spice Girls and judge on *X Factor* and *America's Got Talent*, Melanie Brown, a.k.a Scary Spice, has been an international star since her twenties. *Brutally Honest* is an expos é of the struggles and acute pain that lay behind the glamour and success. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book removes the mask of fame and reveals the true story behind the Spice Girls, as well as the horror of her most recent marriage and her 10 year struggle to be free.

As a child, Biddu dreamt of going west and making it big as a composer. At the age of sixteen, he formed a band and started playing in a cafe in Bangalore, his home town, At eighteen, he was part of a popular act at Trinca's, a nightclub in Calcutta devoted to food, wine and music, At nineteen, he had college students in Bombay dancing to his music. In his early twenties, he left the country and ended up hitchhiking across the Middle East before arriving in London with only the clothes on his back and his trusty guitar. What followed were years of hardship and struggle but also great music and gathering fame. From the nine million selling "Kung Fu Fighting" to the iconic youth anthem of "Made in India" and the numerous hits in between. Biddu's music made him a household name in India and elsewhere. In this first public account of all that came his way: the people, the events, the music tours and companies Biddu writes with a gripping sense of humor about his remarkable journey with its fairy tale ending. Charming, witty, and entirely likable, Biddu is a man you are going to enjoy getting to know.

This emotional and honest novel recounts a young man's experiences during World War II and digs deep into what he and his fellow soldiers lived through during those dark times. The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. "The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book." --William L. Shirer
