You'll learn about when and how to use flash, understand exposure, and control focus and depth of field. There is also information on taking expert action, close-up, and landscape shots, and how to access and download those photo files. Photography is a great way to capture lifelong memories, and this book makes it easy to get started. Learn photography terminology Shoot, view, and trim movies Master color controls Discover ways to customize your camera Don't just settle for auto mode; take advantage of all the D7500's amazing features with the help of Nikon D7500 For Dummies!

The Perfect Guide to Mastering the Nikon D7500! The Nikon D7500 is a midrange APS-C DSLR that both sits below and borrows a lot from Nikon's APS-C flagship D500 including its 20.9MP sensor, high-res metering sensor (used for subject recognition) and very probably its image processor. In a lot of ways, it's like a mini D500, which in and of itself is like a mini D5. All three are built for speed. The D7500 gets a 2 fps bump over its predecessor and can shoot 8 fps for an impressive 100+ JPEGs (3x the buffer of the D7200). That's not quite as fast as the D500's 10 fps burst, but it's still serious firepower for enthusiasts and serious photographers alike. Its AF system remains the same, reliable 51-point module from D7200 and D7100. But the new metering sensor should mean better 3D Tracking. If you haven't guessed by now, this is a great camera for fast action photography. A user guide is very important since it will give you all information and also guideline to use any device and this Nikon D7500 user manual has been specifically designed to help you understand the functions and features of your camera. This Includes a setup guide, expansion, tips, experiences and troubleshooting information to help you get the best out of it. Here's a preview of what you'll learn: Getting to Know the Camera( The body, mode dial, viewfinder etc) Shooting Options( Color space, resetting shooting menu, noise reduction, optical VR etc) Connections.. ( Caution, Printing, How to copy images to computer etc) Handy features( Disabling the Beeper, Card Reminder, Setting the Image Review time ect) Recording and Viewing Movies( How to record movies, caution, How to view movies, how to edit movies etc) To grab a copy, please scroll to the top of this page and click the buy now button!
