Living with diabetes is difficult. There are so many factors to consider and this can be stressful, but you shouldn ' t need to put your life on hold. This section will provide you with the information you need on how you can fit diabetes around your lifestyle, from what to eat to how you can treat and manage your condition effectively.

~~How to manage your diabetes | Living with diabetes ...~~

A plant-based diet is a powerful tool for preventing, managing, and even reversing type 2 diabetes. In our clinical research studies here at the Physicians Committee for Responsible Medicine, we ' ve put a plant-based diet to the test with thousands of patients who have type 2 diabetes. In a 2003 study funded by the NIH, we determined that a plant-based diet controlled blood sugar three times more effectively than a traditional diabetes diet that limited calories and carbohydrates.
