recommendations for improvement and change. Critical Care Dietitian honoured for work on COVID-19.

~~British Dietetic Association Homepage~~

Introduction. Nutritional assessment is the systematic process of collecting and interpreting information in order to make decisions about the nature and cause of nutrition related health issues that affect an individual (British Dietetic Association (BDA), 2012). This differs from nutritional screening (link to Screening and MUST page) which is a brief risk assessment which can be carried out by any healthcare professional and which may lead to a nutritional assessment by a dietitian.
