Economics for the Common Good: Amazon.co.uk: Tirole, Jean

...

Economy for the Common Good is a social movement advocating for an alternative economic model. It calls for working towards the common good and cooperation as value above profit-orientation and competition which leads to greed and uncontrolled growth. Christian Felber coined the term in his book Die Gemeinwohl-Ökonomie - Das Wirtschaftsmodell der Zukunft, published in 2010. According to Felber, it makes much more sense for companies to create a so-called "common good balance sheet" than a ...

Economics for the Common Good - KabulReads - Online Bookstore

Economics for the Common Good. Book Description: From Nobel Prize-winning economist Jean Tirole, a bold new agenda for the role of economics in society. When Jean Tirole won the 2014 Nobel Prize in Economics, he suddenly found himself being stopped in the street by complete strangers and asked to comment on issues of the day, no matter how distant from his own areas of research.

Economics for the Common Good by Jean Tirole

Common goods are defined in economics as goods that are rivalrous and non-excludable. Thus, they constitute one of the four main types based on the criteria: whether the consumption of a good by one person precludes its consumption by another person (rivalrousness)

Economics for the Common Good: Tirole, Jean, Rendall ...  
Economics for the Common Good. Jean Tirole (trans. by Stephen Randall). Princeton University Press. 2017. Find this book: Economics – that seemingly impenetrable mix of mathematical wizardry and eye-glazing theorising – has long appeared wholly inaccessible to the majority of the public (and even, it might be added, many members of the intelligentsia).
