Einstein's Beach House by Jacob M Appel is a collection of 8 short stories. The author has a unique voice which clearly echoes in his stories. Each story has its own unique flavor and taste but has one common thread among them - that they are both funny and tragic (tragic, to some extent).

~~Einstein's Beach House by Jacob M. Appel - Goodreads~~

"Einstein's Beach House" by Jacob M. Appel is a collection of eight short stories. The characters in these stories are widely varied and vivid, as if the author has seen them or known them. The author has a very good understanding of American lifestyle, subtle complexities of human mind, and legal regulations, which is reflected in his writing many times.

The theme of the highly readable and surprising stories that comprise Jacob M. Appel's Einstein's Beach House is aptly expressed in the first sentence of the first story, "Hue and Cry"—these stories describe things that are "funny" when they happen "to other people.". Things, the narrator goes on to explain, like "tarring and feathering, Peeping Toms, mad cow disease."

~~Einsteins Beach House Stories Jacob M Appel ...~~

The eight stories in Einstein's Beach House are slightly quirky (but not distractingly so), somewhat moving and each at least a little bit humorous, and extremely memorable. Jacob Appel does such a great job developing his characters and the plot of each story, I honestly could see many of them developed into a full-length novel, and I'd definitely want to read those books, since I wanted more of the characters.

~~Reviews: Einstein's Beach House by Jacob M. Appel ...~~

Did Einstein own a beach house? With considerable literary license, Jacob Appel suggests that the renowned genius did indeed own such a house, but its exact location remains a mystery. As in several of the stories in his collection, Einstein's Beach House, Appel embraces absurdity to the point that reality becomes as ephemeral as possibility. In the title story, a misprint in the AAA guidebook for New Jersey misidentifies the location of the famous physicist's summer residence by ...
