Librarian Kathleen Paulson and her inquisitive cats find themselves in a jam when a musician turns up dead, in the newest installment of this New York Times bestselling series. It's summer in Mayville Heights, and Kathleen Paulson and her detective boyfriend Marcus, are eager to attend the closing concert of the local music festival. The concert is a success, but then one of the band members is discovered dead shortly after it. At first it's assumed the death is a robbery gone wrong, but Kathleen suspects foul play--and she's certain that she, along with her trusty side-cats, Owen and Hercules, can help solve the murder. Before his death, Kathleen had noticed the victim in the library researching his genealogy, and when she and Marcus take a closer look at

Download Ebook Feline

the man's family tree, they begin to think a previous death of one of his relatives now seems suspicious. The more Kathleen thinks about it, the more this murder feels like it could be an encore performance. Kathleen and her cats will need to act fast and be very careful if they want to stay off of a killer's hit list.

Cats and women share many traits: beauty, elegance, sensitivity, affectionate natures, a knack for nurturing and a love of the luxurious. Cats also embody the feminine dark side, with a tendency towards neurosis and fear of change. Then there are the qualities that cats possess which women long to emulate: fighting fiercely to protect themselves, never

saying yes when they mean no, and being unafraid to claim the best seat in the house. Cats are loyal to those who love them but couldn't give a toss about what others think. They don't suffer self-esteem issues or worry if they're overweight. And then there is that enviable air of mystery, that slinky walk . . . oh to be a cat! They're the ultimate totem of female strength. Belinda Alexandra, writer and ardent cat lover, makes no apology for celebrating the special bond between women and their cats. In *The Divine Feline*, she shares her own experiences with cats, describes the relationship between women and cats throughout history and solves behavioural and philosophical issues in a whimsical and practical way. Viva la cat lady!
