Financial Accounting helps readers “ nail ” the accounting cycle! Financial Accounting helps readers “ nail ” the accounting cycle up front in order to increase success and retention later on. The concepts and mechanics readers learn in the critical 'accounting cycle' chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, minimizing confusion. This edition features a new user-oriented approach along with many new problems, exercises, and analysis questions.

An audience-centered approach to public speaking Public Speaking: An Audience-Centered Approach brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public speaking is the foundation of the text, and it guides students through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between the classroom and the real world. MyCommunicationLab is an integral part of the Beebe/Beebe program. MyCommunicationLab is an integral part of the Beebe/Beebe program. With extensive opportunities for the application of course content, MyCommunicationLab helps students become better speakers and master key public speaking concepts. Interactive videos provide students with the opportunity to watch and evaluate sample speeches. Online self-assessments and pre- and post-tests help students assess their comfort level with public speaking and their knowledge of the material. MediaShare allows students to post speeches and share them with classmates and instructors. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable.
