Guide To Project Management Body

A Guide to the Project Management Body of Knowledge (PMBOK® Guide) is PMI's flagship publication and is a fundamental resource for effective project management in any industry. Over the years, business has changed considerably, but projects remain critical drivers of business success. The guide includes The Standard for Project Management. The standard is the foundation upon which the vast body of knowledge builds, and the guide serves to capture and summarize that knowledge.

The Project Management Body of Knowledge is a set of standard terminology and guidelines (a body of knowledge) for project management. The body of knowledge evolves over time and is presented in A Guide to the Project Management Body of Knowledge (the Guide to the PMBOK or the Guide), a book whose sixth edition was released in 2017. The Guide is a document resulting from work overseen by the Project Management Institute (PMI), which offers the CAPM and PMP certifications.
