The stakes are high in any job interview, but health care interview questions can be especially tough. Employers want to be sure they're getting the best of the best, so they don't throw many softballs. Preparation is key for sounding polished and professional, so you definitely want to consider and rehearse your responses to common questions beforehand.

Sometimes, you might find health information or health news on social media. Some of this information may be true, and some of it may not be. Recognize that just because a post is from a friend or colleague it does not necessarily mean it's true or scientifically accurate. Check the source of the information, and make sure the author is credible.
