New York Times bestselling author Lexi Ryan brings readers a sexy NFL player who's pulled out all the stops for one more chance with the love of his life. I have four months to make my wife fall in love with me or let her go forever. I loved Bailey Green long before she watched her loser ex take his last breaths. I held her while they lowered his coffin into the ground, stilled her shaking hands when the nightmares would tear her from sleep. I waited for her through her grief. But while she was always willing to let me in her bed, she refused to let me in the one place I longed to be—her heart. Tired of playing second string to a dead man, I let her go. I moved to Florida to begin my NFL career and tried to pretend my perfect life didn't leave me empty. I'd almost given up. Until one drunken night in Vegas, we stumbled down the aisle and said, "I do." In exchange for the divorce she wants so badly, she's agreed to remain my wife until the end of the year. She has no idea the favors I've called in or the lies I've told to get her here, but if I succeed, none of that matters. My secrets always seemed justified, but Bailey has her own—secrets

New York Times bestselling author Jayne Ann Krentz presents the first novel in an Arcane Society trilogy set in a secluded coastal town in Northern California—a mysterious place where danger and passion run deep... Scargill Cove is the perfect place for Fallon Jones, confirmed recluse and investigator of the paranormal. It's a hot spot, a convergence point for unusually strong currents of energy, which might explain why the town attracts misfits and drifters like moths to a flame. Now someone else has been drawn to the Cove—Isabella Valdez, on the run from some very dangerous men. When she starts work as Fallon's assistant, Isabella impresses him by organizing his pathologically chaotic office—and doesn't bat an eye at the psychic aspect of his job. She's a kindred spirit, a sanctuary from a world that considers his talents a form of madness. But after a routine case unearths an antique clock infused with dark energy, Fallon and Isabella are dragged into the secret history of Scargill Cove and forced to fight for their lives, as they unravel a cutthroat conspiracy with roots in the Jones family business...and Isabella's family tree.

she swore she'd never do-return to the tiny island hometown where Ryan "West" Westlake crushed her heart. Piper is tough, resilient and a little wild-much like the remote and beautiful Stewart Island where she grew up. As a cop who's part of the elite New Zealand Police National Dive Squad, bringing the dead back to their families still doesn't stop the guilt she feels over her father's drowning death. Now nine years later she's obligated to return to a hostile community as the outsider, and forced to work with the man who was once her best friend and first lover. She's a risk he can't take. West is an Island man, through and through. As owner of the local pub, he lives and breathes the local community, and sure as hell can't imagine living anywhere else. But most of all he refuses to ever fall for a woman like his flighty mother. He lost Piper once to give her the chance to fulfil her dreams of becoming a cop. But now she's back for an unexpected six week visit to help her brother-his best mate. Maybe West wants her a little bit, maybe he can't resist the temptation to tease and touch her, but can he fall in love with such a flight risk? Saying goodbye for the second time might just destroy them both.

Here, presented in one volume, are the four stories that comprise the 'In Too Deep' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion. Rayne Smith has only been working for the Ellison Company for two weeks but already knows there is nothing about her job that she likes, she is a glorified maid. Her boss Clive Sherman, is invariably intent on annoying her. Consistently self absorbed and mean spirited, he's made it clear that he wants more from Rayne, and demands that she attend the masquerade ball given by company. He sees this as his perfect opportunity to move in on the new hire. At the ball, Rayne thwarts her boss continuously, but is soon overcome with boredom at the uneventful soiree. Just when she is getting ready to leave, a mysterious masked man enters. Even from across the room, he practically oozes confidence. Their eyes meet and they instantly hit it off. Having not even been formally introduced, he vaguely tells her to call him Crasher. The virile, god-like sex that follows is nothing like what Rayne has always known. But is it just chance that they've met, or is it more? Will the dominant nature of Crasher lay dormant, or surface once they're skin-to-skin? And who exactly is this mysterious man? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
