'Josie and Jack': Twisted Sister - The New York Times

Kelly Braffet is the author of the novels *Save Yourself*, *Josie and Jack* and *Last Seen Leaving*. Her writing has been published in the *New York Times* and *Vulture.com*, as well as *The Fairy Tale Review*, *Post Road*, and several anthologies. She attended Sarah Lawrence College and Columbia University and currently lives in upstate New York.

In *Josie and Jack*, Kelly Braffet gives us a deliciously dark, suspenseful debut novel in the tradition of Patricia Highsmith. Beautiful, brilliant, and inseparable, Josie and Jack Raeburn live a secluded, anarchic existence in their decaying western Pennsylvania home. The only adult in their lives is their rage-prone father, a physicist, whose erratic behavior finally drives them away. Without a moral compass to guide them, Jack leads Josie into a menacing world of wealth, eroticism, and betrayal. His sociopathic tendencies emerge, and soon Josie must decide which is stronger: the love and devotion she feels for her brother or her will to survive. From its opening page to its shocking climax, this contemporary Hansel and Gretel story is compulsively readable and hugely entertaining.

When Miranda, a young drifter, vanishes after being picked up by a passing stranger following a car accident, no one realizes that she is missing for two months or that her highway rescuer could be tied to rumors of a serial killer stalking young women.

A gripping novel full of suspense and pathos that Dennis Lehane calls an "electrifying, tomahawk missile of a thriller." Patrick Cusimano's father killed a boy while driving drunk. Now Patrick is working at a grubby convenience store, and he and his brother, Mike, are the town pariahs. Caro, Mike's girlfriend, is running from her own painful past, with no idea what she's running toward. Layla Elshere is a goth teenager who befriends Patrick for reasons he doesn't

understand and doesn't trust. And Layla's little sister, Verna, tortured by her classmates, finds unlikely solace with Layla's dark tribe of outcasts. As their fates become entwined, everyone is set down a terrifying and twisted path—leading them all toward a collision where loyalties will be betrayed, fears exposed, and lives shattered. Now with Extra Libris material, including recommended reading and bonus content

The story of Judah, a foundling born with a special gift and raised inside Highfall castle along with Gavin, the son and heir to Lord Elban's vast empire. An epic fantasy tale.

“ Fantasy at its most sublime. ” —Erin Morgenstern, NYT bestselling author of *The Night Circus* A penetrating tale of magic, faith and pride... *The Unwilling* is the story of Judah, a foundling born with a special gift and raised inside Highfall castle along with Gavin, the son and heir to Lord Elban's vast empire. Judah and Gavin share an unnatural bond that is both the key to her survival...and possibly her undoing. As Gavin is groomed for his future role, Judah comes to realize that she has no real position within the kingdom, in fact, no hope at all of ever traveling beyond its castle walls. Elban—a lord as mighty as he is cruel—has his own plans for her, for all of them. She is a mere pawn to him, and he will stop at nothing to get what he wants. But outside the walls, in the starving, desperate city, a magus, a healer with his own secret power unlike anything Highfall has seen in years, is newly arrived from the provinces. He, too, has plans for the empire, and at the heart of those plans lies Judah... The girl who started life with no name and no history will soon uncover more to her story than she ever imagined. An epic tale of greed and ambition, cruelty and love, this deeply immersive novel is about bowing to traditions and burning them down.

The disturbing fate of a runaway older sister is gradually revealed in a tale told from the perspectives of the Hurst family, including a teen girl whose drug use has landed her in a mental ward, an autistic youth, an alcoholic father, and an insidiously manipulative mother.

Thrillingly dangerous, worryingly likeable, some siblings are better kept apart. Josie and Jack Raeburn are beautiful, brilliant and inseparable. Their father a gifted and tempestuous man has tried to shape them to his own design, feeding them an eccentric diet of advanced physics, mathematics and classical literature. They live in an isolated house where Jack presides over a wild and ungoverned existence when his father is not there. As their father becomes more irrational Josie and Jack are forced to leave the family home and go to London. At first the fearful and admiring Josie follows her brother unquestioningly. However, as Jack's own behaviour becomes volatile and threatening, Josie finds herself struggling - should she stand by her brother, or make a break to free herself from his increasingly dangerous machinations. When they become involved with Lily a rich society girl, Josie understands what she must do ... and brings the story to a shocking climax.

Clearly written text offers an answer to the question of why ancient Egyptians mummified thousands and thousands of cats. An easy-to-understand introduction to ancient Egyptian history.

By the New York Times bestselling author of *Mother, Mother* and *Smashed* comes a propulsive new thriller: the story of a desperate and devious woman who will do anything to give her family a better life Gracie Mueller is a proud mother of two and devoted wife, living with her husband Randy in upstate New York. Her life is complicated by the usual tedium and stressors—young children, marriage, money—and she's settled down comfortably enough. But when Randy's failing career as a real estate agent makes finances tight, their home goes into foreclosure, and Gracie feels she has no choice but to return to the creatively illegal and high-

## Read Free Josie And Jack Kelly Braffet

stakes lifestyle of her past in order to keep all that she ' s worked so hard to have. Gracie, underneath all that ' s marked her life as average, has a lot to hide about where she ' s from, who she is, and who she ' s been. And when things inevitably begin to spin out of her control, more questions about the truth of her past are raised, including all the ones she never meant to, or even knew to, ask. Written with the style, energy, and penetrating insight that made her memoir *Smashed* a phenomenon, Koren Zailckas's next novel confirms her growing reputation as a psychological novelist that can stand up to the best of them.

The actress, comedian, and podcaster extraordinaire's guide to being a #brave, bikini-wearing badass. If you ' ve ever seen a fat person post a bikini shot on social media, you already know that they are #verybrave, because apparently existing in a fat body in public is #brave. I, Nicole Byer, wrote this book to 1. share my impressive bikini collection and my hot body with the world and 2. help other people feel #brave by embracing their body as it is. In this book, I share my journey to becoming #brave, give you my hot tips and tricks—on how to find the perfect bikini, how to find your own #bravery, and how to handle haters—and serve you over 100 bikini looks.
