Language and Sexism : Sara Mills : 9780521001748

Thus, the majority of Mills ' observations and comments, her discussion of language reform and political correctness in particular, are limited mostly to English (with only a few references to work on other languages to be found in footnotes), and do not pertain to the situation in many other languages and societies in which there is even no common awareness

of the problem and where the very existence of linguistic sexism is either not recognised or fiercely denied (e.g., see Karwatowska ...
