Leading from the Emerging Future builds on the previous work of Peter Senge, author of The Fifth Discipline and co-author of Presence, and his associates at MIT. This book can be summarized by a quote that arose in an interview with W. Brian Arthur in Presence: "Every profound innovation is based on an inward-bound journey."

Leading from the Emerging Future: From Ego-System to Eco ...
To catalyze this renewal we need to learn not from the past, but from a future wanting to be born. How to activate our capacity to lean into the emerging future may well be the most important leadership challenge of our time. How do you cultivate curiosity, compassion and courage in the face of prejudice, anger and fear?

Leading from the Emerging Future: From Ego-System to Eco ...
Leading from the Emerging Future Quotes Showing 1–15 of 15 "Myth 2: Leadership is about individuals. In fact, leadership is a distributed or collective capacity in a system, not just something that individuals do. Leadership is about the capacity of the whole system to sense and actualize the future that wants to emerge."

Leading from the Emerging Future Quotes by C. Otto Scharmer
2 Leading from the emerging future to the heart. It is a shift from an ego-system awareness that cares about the well-being of oneself to an eco-system awareness that cares about the well-being of all, including oneself. When operating with ego-system awareness, we are driven by the concerns and intentions of our small ego self. When operating with eco-system awareness, we are driven by

Otto Scharmer and Katrin Kaufer Leading
Scharmer's latest book, written with Katrin Kaufer, is "Leading from the Emerging Future: From Ego-system to Eco-system Economies".
