~~Project and programme management - GOV.UK~~

But public sector managers are not bred to change things by being innovative and decisive. They are bred to ensure existing processes are properly administered. Which clearly leaves the public sector at something of a disadvantage when it comes to projects - just one reason why public sector projects can be prone to failure. But the public sector think they have a solution to this problem.

budget delivery. Public sector organizations and government ministries are no exception. This paper discusses the state of projects and project management within one of the largest government ministries in Trinidad and Tobago.

~~Project Management Project Challenges in Public Sector~~

The challenges faced by project professionals in the public sector - whether that be local government, transformation programmes or the NHS - are often complicated and require careful management. Providing efficient and effective products and services, which are typically complex and expensive, whilst managing public funding and demonstrating transparency and value to stakeholders, is no easy task.
