The purpose of [this book] is to offer teaching methodology, learning philosophy, and professional development for aspiring cosmetology educators. It is intended to be adopted by schools offering instructor training as a core program in an institution's overall curriculum. The material is applicable to educators within any discipline within the wide field of cosmetology. It is designed to work effectively in an instructor-led classroom environment but can also be utilized in a mentor/self-study environment ... [This book first] includes information about the history of teaching, the qualities and characteristics required in a master educator, educator relations, developing a program of study, developing and using educational aids, teaching skills and presentation techniques, and classroom management. [It then] focuses on the needs of the industry, teaching in a dynamic clinic, and grading performance systems. [It also] addresses adult-learner characteristics and learner diversity, learning and teaching methods, and how to achieve learner results. [The last part] covers professional-performance evaluations and preparing for licensure and employment.-Pref.

The Complete Spa Book for Massage Therapists is specifically for massage therapy students who want to succeed in the spa industry, whether as an employee or an owner of their own spa. It is the only book that includes extensive information about real-world working conditions in actual spas, with an enormous amount of feedback from working spa directors and owners regarding what they are looking for in employees. Beyond giving explanations and step-by-step instructions regarding a wide range of spa modalities, the book offers an in-depth look at topics that many other resources do not cover.
