Music Marketing for the DIY Musician [PDF] by Bobby Borg ...

The initial response within music marketing to lockdown was to charge into livestreaming - seeing it as a way to plug at least part of the hole created by mass concert cancellations. Several weeks in and things are very different. We look at the campaigns that have managed - with incredible nimbleness - to adapt and contort themselves into whole new shapes.

The Best Music Marketing Campaigns During Lockdown - Music ...

The music industry is immensely competitive, and good marketing is essential for anyone looking to turn their art into a successful career. After all, artists can expect to make only about 70% of a penny per play on Apple Music, and a little more than half that on Spotify. A song with a million streams will earn you well under \$10,000.

For many artists, marketing is somewhat at odds with who they are and what they do. Since making music is often deeply personal and emotional, thinking about a music marketing strategy to promote your work might seem foreign, fake, or forced.. Unfortunately, this doesn't change the fact that it's never been harder for new artists to find audiences for their music.

7 top marketing strategies for musicians | Bandsoogle Blog

Essential tips for getting your music out there. In the music industry, marketing is the art of telling your band's story to the right people at the right time - and telling it well. For today's independent artist, a good musical story (and how well it's told) can mean the difference between obscurity and stardom.
