Different versions of My Book include Essential Edition, Office, Home, Premium, Mirror Edition, Studio Edition, World Edition and Pro Edition The Word edition is well known for its offering of remote file access via internet using WD anywhere software The default username for My book is "Admin" and default password is "123456 "

Mybook-World-Edition-Default-Password
The user name should be "admin" and the password should be "admin". If that does not work try disconnecting the My Book World Edition, uninstalling the software. I went as far as doing a system recovery to before I originally installed the My Book. And try again.

I haven't used the unit in quite some time now and when I tried to reconnect to it today to store some music I couldn't connect. Since I last connected, I have changed ISP's but can't remember the username or password I used when I set it up a few yrs ago. I can't use mionet because I no longer have that email that I registered with. Is there a way to reset the username and password ...
