Are You Searching for Mythic Vistas: The Black Company ...

The Black Company Series is my favorite series of all time and this book is like the Black Company Bible. If it wasn't enough that it is one of the best systems I have ever played (the magic system alone is worth the price and should be used in every RPG), but it has a huge amount of information about the world that isn't very clear in the books, or isn't in them at all.
