On Communalism And Globalization Offensives Of The Far Right

Communalism has been described as a sectarian exploitation of social traditions as a medium of political mobilization. This is done to punish the interests of the entrenched groups. Thus communalism is an ideology used to fulfill socioeco-political hopes of a community or social groups. It requires proposals and programmes

Notary Exam Questions And Answers

In Globalization 1.0, which began around 1492, the world went from size large to size medium. In Globalization 2.0, the era that introduced us to multinational companies, it went from size medium to size small. And then around 2000 came Globalization 3.0, in which the world went from being small to tiny.
