The Geek Girl series are some of those books that are perfect for a lazy day; they read easily and fly by in one sitting, and are stuffed with cuteness. While I do have my nitpicks, Picture Perfect was a highly enjoyable read, and I ' m very curious about what Holly Smale has in store for us next.

Summary Geek Girl is coming to America!  
The internationally bestselling series takes on the Big Apple in this third hilarious, high-fashion adventure. When Harriet ' s dad gets a job in New York City, Harriet is beyond excited to ...

Geek Girl: Picture Perfect - Read book online

What I love about Picture Perfect, much like I loved about the other novels in the Geek Girl series, is that Harriet is about as real of a teenage narrator that you can get. She ' s still super awkward and oblivious and adorable, and her humor blends in with her strength as a narrator to make her one of my favorite characters of all time.
