Buy a Classic Porsche 911*
The Porsche 996's manual gearbox has proved to be reliable and light on the clutch; but the clutch is a wear and tear item that will need replacing eventually. A heavy pedal action is usually the sign it is coming towards the end of its life, but a good Porsche specialist will have no problems replacing it.

In our buyer guide below we've extensively highlighted those potential issues to be on the look out for. Getting a repair history on the car, if available, is helpful and will instantly identify or eliminate potential problem areas. The number of owners doesn't necessarily matter with a Porsche – the work and records performed do.
