Roger Federer: Portrait of an Artist by Christopher ...

Introduction Christopher Jackson's book, *Roger Federer: Portrait of an Artist*, is not the kind of book you'd read if, as a Federer fan, you wish to learn something new about Fed's life or the ATP tour. Rather, it is an attempt to explain the cultural significance of the great man and, more broadly, of sport and its appeal.

Roger Federer: Portrait of an Artist by Christopher ...

In *Rafael Nadal: The Inspiring Story of One of Tennis' Greatest Legends*, you will learn the incredible story of one of tennis' best players, Rafael Nadal. For the last two decades, three men have dominated the game of tennis: Roger

He is one of those few athletes?like Muhammed Ali, or Usain Bolt?who has transcended his sport. His long career has seen him win the most Grand Slam

BestsellerChris Jackson has written a thoughtful and brilliant study of Federer as a man, player, and aesthetic and moral figure of our times. It outplays even Foster Wallace's magisterial writing on this greatest of all tennis champions. Here is the one of the most profound,

Read Book Roger Federer Portrait Of An Artist Squint

insightful and elegant books ever written about sports.

A major biography of the greatest men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *The Master*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on

Read Book Roger Federer Portrait Of An Artist Squint

a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four

Read Book Roger Federer Portrait Of An Artist Squint

Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. The Master tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

This superb biography, filled with photographs from his sensational career, follows Roger Federer from his first steps in tennis in the junior tournaments right through to the main professional circuit. Federer: Portrait of a Tennis Legend is an illustrated biography of a man who has graced the world of tennis for more than two decades, playing with grace,

Read Book Roger Federer Portrait Of An Artist Squint

panache, and magnificent sportsmanship. He who hastranscended tennis to become one of the greatest sportsmen of the twenty-first century. This portrait illustrates his great rivalries, his great matches and his great victories.

FEDERER is almost universally recognised as the greatest tennis player of all time; he might also be the greatest athlete. Adored around the world, Federer has become one of sport's most iconic and popular figures. In this innovative graphic biography, Federer's genius is explored and celebrated like never before, with beautiful infographics looking at his serving patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure

Read Book Roger Federer Portrait Of An Artist Squint

situations such as tiebreaks and Grand Slam finals. Federer's astonishing records - no man has won more majors, or spent more weeks as the world number one - are also showcased against his rivals and the legends of the game. Drawing on his conversations with Federer, as well as exclusive interviews with those close to the Swiss, Mark Hodgkinson tells the story of how a young hothead from Basel transformed himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport's biggest prizes. The infographics, stunning photography and insight and analysis - from Federer's rivals, idols, coaches and members of his inner circle - will

Read Book Roger Federer Portrait Of An Artist Squint

give you a new appreciation of his greatness and how his tennis has moved so many people.

The tennis virtuoso strikes each ball with a watchmaker's precision. But he's more than a Swiss national hero, enthraling the masses across the world with his elegant play, his groundedness and his resilience. At 37, the father of four is still diligently increasing his stardom. He is considered not just the best tennis player in history, but one of the greatest athletes of all time. This book is a bestseller in Europe and is now available in English for the first time.

Since 2004, two names have dominated men's tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The

Read Book Roger Federer Portrait Of An Artist Squint

Spanish Nadal is the winner of sixteen Grand Slam titles, including five consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from Switzerland, has spent over three hundred weeks of his career ranked as the number-one player in the world and has won twenty Grand Slam titles and two Olympic medals. But neither player's career would have been nearly as successful without the decade-long rivalry that pushed them to rise to the peak of tennis excellence. Nadal and Federer have met thirty-eight times over the course of their careers, and have shared the distinction of being ranked the two best players in the world for an astounding six years in a row from 2005-2009. In Roger Federer and

Read Book Roger Federer Portrait Of An Artist Squint

Rafael Nadal, international sports journalist Sebastian Fest uses information gleaned from his numerous interviews with both players over the last decade to narrate the rivalry, and its impact not only on the players, but on the sport itself.

Documenting their respective wins and losses, hopes and disappointments, and relationships with their rivals, Fest formulates a unique biography of two of the greatest players of tennis.

Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a

Read Book Roger Federer Portrait Of An Artist Squint

wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

René Stauffer has been closely covering Roger Federer's career for nearly 25 years. In this comprehensive biography, Stauffer talks at length to the man himself, his family, friends, coaches and rivals to paint an unrivalled picture of the greatest male tennis player of all time. From his early

Read Book Roger Federer Portrait Of An Artist Squint

life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his 20th Grand Slam victory and all points in between, Stauffer reveals the secrets to Federer's success, the hardships and doubts that he has faced and examines the legacy that Federer has created in the modern game.

Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer,

Read Book Roger Federer Portrait Of An Artist Squint

from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open

Read Book Roger Federer Portrait Of An Artist Squint

title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit for many years. Completely comprehensive, it provides an informed account of the Swiss tennis star from his early days as a temperamental player on the junior circuit, through his early professional career, to his winning major tennis tournaments, including the U.S. Open and Wimbledon. Readers will appreciate the anecdotes about his early years, revel in the

insider's view of the professional tennis circuit, and be inspired by this champion's rise to the top of his game.

Roger Federer could live anywhere in the world, but he always returns to the place he loves most: Switzerland. Dave Seminara is a mad traveler and tennis lifer who has written about Federer for The New York Times and other publications. A pair of autoimmune diseases and a knee surgery kept Dave from playing tennis for years, but as he inched toward recovery, he had a bright idea: why not start his tennis comeback on hallowed ground—courts that his hero Roger Federer graced in Switzerland. *Footsteps of Federer* is a funny, novella-length account of Seminara's travels across seven Swiss cantons in search of insights into Federer's

Read Book Roger Federer Portrait Of An Artist Squint

character, which is inextricably linked to his deep roots in, and love for, his country. Seminara timed his unique pilgrimage to the 2019 Swiss Indoors, where he had a chance to ask Roger a number of offbeat questions before and after Federer hoisted his record tenth title there. Seminara's Federer pilgrimage took him to Switzerland's most important abbey, where he prayed with Abbot Urban Federer; to the vineyard of Jakob Federer from Berneck, where the Federer clan originated from; to the stunning villa where Roger and Mirka were married; and to many of the neighborhoods and tennis clubs where Roger has lived and trained at over the years.
