The title refers to the decisive moment in Roman history when Julius Caesar crossed the Rubicon and the fate of the Roman Republic was sealed. The phrase crossing the Rubicon is now part of our everyday language meaning passing a point of no return. That is an apt analogy for this book because it is hard to put down!

Rubicon: The Triumph and Tragedy of the Roman Republic by ...

Tom Holland's Rubicon is a magnificent overview of the end of the Roman Republic. The times were turbulent and dangerous, full of risk, adventure, tragedy and conflict. The men and women who shaped these times were powerful, energetic and filled with such life-force it is no wonder they have lived in the imagination for two thousand years.
