Starting a Science Journal.

Science journals encourage writing, drawing, reading and a way for kids to record all their discoveries and adventures.

There are so many ways to approach journaling -- you can

Read PDF Science Journals For Kids

journal by topic or keep your journal in date order (more like a diary). Journals can include written observations, drawings, photos, items that are taped in or a combination of all of these.

About us | Science Journal for Kids and Teens

Unlike personal journals, scientific journals are written to be shared. Encourage the child to journal with enough detail that anyone

Read PDF Science Journals For Kids

could understand their notes. Decorate the covers of a small notebook. Ask the child to draw pictures of their favorite aspects of science -- dinosaurs, astronauts and volcanoes are some ideas.
