Spaghetti and meatballs recipe - BBC Food

Spaghetti and Meatballs for All is written in a landscape style illustrations that are full-bleed and also bordered. The text is incorporated into the images. I feel children will enjoy the learning aspect of the story because it uses fun concepts and you don't think of it as "doing math". There are multiple different races of people.

unit, Area and Perimeter, Grades 5–6, is written by Cheryl Rectanus. One whole-class lesson in the book is based on Spaghetti and Meatballs for All!, a children's book by Marilyn Burns. The book sparks a lesson about arranging tables and chairs to accommodate a large number of diners, a real-life context that helps students link area and perimeter to the world around them.
