In *Dressed To Kill*, Rick explains with exacting detail the purpose and function of each piece of Roman armor. In the process, he describes the significance of our spiritual armor not only to withstand the onslaughts of the enemy and but also to overturn the tendencies of the carnal mind. Furthermore, Rick delivers a clear, scriptural presentation on the biblical definition of spiritual warfare what it is and what it is not. He stresses, Your unbroken, ongoing fellowship with God is your absolute guarantee that you are constantly and habitually dressed in the whole armor of God. When you walk with God in deliberate, continual fellowship, He will enrobe you with Himself. Armed with the knowledge of who you are in Him, you will be dressed and dangerous to the works of darkness, unflinching in the face of conflict, and fully equipped to take the offensive and gain mastery over any opposition from your spiritual foe. You don't have to accept defeat anymore once you are Dressed To Kill!

We are living in a day when countless multitudes have lost their way both morally and spiritually. Like a ship without anchor, this last day's generation is being tossed to and fro by a flood of deception and wrong influences that is tragically causing people to lose their moorings. What should we do to make sure we don't get sucked in to the chaotic swirl of moral and spiritual confusion sweeping the world today? That is the vital question prolific author and Greek scholar Rick Renner answers in this riveting and timely book.

God is Calling You to Thrive! Turbulent times are all around us, and Bible prophecies foretold centuries ago read like today's news headlines. Should we run for the nearest cave? Face reports boldly but blindly? Resign ourselves to trouble ahead? No! God has always had a survival plan to equip believers for the end times. In *Last-Days Survival Guide*, author and seasoned student of the Greek Rick Renner delivers rock-solid advice for sailing through turbulent seasons with victory. Rick shares how to supernaturally navigate stormy seas of the last days with the power and insight of the Word of God and the Spirit of God. You'll be strengthened and encouraged as you learn to not only survive but thrive!

You think you know what happened beatings, betrayals, mockery, a cross, some nails, and death. But that's just the surface of the story. What if you could get past the commonly recognized pieces of the account that tells how and why Jesus Christ died the story everyone thinks he or she already understands? What if you could discover the heart, humanity, emotion, and meaning of Jesus every encounter along the way from Gethsemane to Golgotha? *Paid in Full*, a riveting account of Jesus final hours, takes you on a journey that does just that. It powerfully explains the significance for every person ever born of each step Jesus willingly took along the way of His suffering, His death, and His resurrection. Noted Bible teacher and Greek scholar Rick Renner draws a vivid backdrop to the passion of Jesus Christ, interjecting fresh insights into the human and divine drama scripted from the foundations of the world. And as you follow along the journey vividly detailed in *Paid in Full*, you will discover an intimate portrait of Jesus you never knew. You will experience Him in a way you will never forget. Redemption had a price. Discover just how completely that price was Paid in Full!

Most Christians live and die, never knowing the fellowship and companionship of the Holy Spirit. They have heard about the Holy Spirit and may even know doctrinal answers regarding the Third Person of the Godhead. But knowing about the Holy Spirit and personally knowing Him in daily fellowship are

two very different things. The fulfillment of the God-conceived desires that you have dreamed of and that your heart has yearned for lies hidden in the keys within the pages of this book. As you read with an open heart, the Heavenly Father will reveal the ministry of the Holy Spirit to you. And as you act on what you learn and yield to His life-transforming work in your own life, you will set yourself squarely on the path that leads to your dreams becoming reality!

Have you ever appointed an individual to a key position in your church or ministry, only to realize later on that you made a poor choice? Or perhaps you realized that although the individual had potential, he or she wasn't quite ready to assume the responsibility you had assigned. Such regrets are unfortunate - and they are entirely avoidable. In his book, *Promotion: Ten Guidelines To Help You Achieve Your Long-Awaited Promotion*, Rick Renner presents his acid test for leadership - ten guidelines to determine if an individual is compatible with you and prepared to take on more authority and responsibility. All relationships in your church or ministry will eventually be tested, either willingly or inadvertently. Why not take the time and the measures to determine beforehand if people are ready to enter certain realms of responsibility? Rick uses both his past mistakes and past victories to illustrate what he has learned not only about becoming ready for leadership but also about moving carefully and more accurately when choosing key members for the inner circle of his team. In addition, his examples offer a checklist for self-examination to help you determine if you are actually ready for promotion. These insightful principles and practical guidelines are drawn from the Word of God; therefore, they can be applied to the advantage of any work environment in any region of the world.
