242. Speaking and  
Language: Defence of  
Poetry is a book of  
criticism by Paul

Goodman that blames  
academic, structured  
approaches to linguistics  
for diminishing the role  
of creativity and  
spontaneity in speaking  
and human nature.

Speaking and Language  
- Wikipedia

*Page 14/30*

Bookmark File

PDF Speaking

And a Critique of  
linguistics than a  
defense of poetry,  
Goodman's book is  
smart, a little too self-  
referential for its own  
good (Goodman's  
favorite thinker may be  
Paul Goodman), and  
open to a lot of critiques  
itself.
