When she and her grandmother go to help with preparations for a big family reunion, Tanya learns about the history of the farm in Virginia where Grandma grew up.

Using scraps cut from the family's old clothing, Tanya helps her grandmother and mother make a beautiful quilt that tells the story of her family's life.

It's been 20-years since she last saw him. Annie Dubois agreed to host her class reunion at her Aunt Elbie's Inn for one reason: her high school sweetheart wasn't attending. Even after so many years, Annie wasn't sure she could face the man she once loved. Especially not when her heart already belonged to her two kids. Then Hank Orin Jr. showed up unexpectedly, and Annie couldn't help but be annoyed and compelled by her old flame. He's on a mission to make her, and her kids, his. Hank was done waiting for the one that got away. As soon as he arrived in Halfpoint, he made his intentions clear: he wanted Annie and he would do anything to have and keep her. They have one week at the Inn at Halfpoint to decide if the risk is worth taking. Does Annie's busy life, and her already-full heart, have any room left for Hank? Find out in this sweet introduction to the beloved Halfpoint, Colorado series.

Cursillo Movement in America: Catholics, Protestants, and Fourth-Day Spirituality

Rebels in Paradise is book 3 in the Resurrection Dawn series, a futuristic Christian-fiction novel set into Biblical endtimes when the Antichrist is rising to power and Christians have come under persecution for their beliefs. A Christian woman waking from amnesia seeks to solve a cold case, her husband's murder committed twenty-five years before.

Loaded with social activities for the whole school year for primary grades.

What would you do if you were face-to-face with the one who got away? It’s been years since Jennie Copley left Magnolia, NC—and her dreams of happily-ever-after—in the rearview mirror. But when her beloved nana turns ninety, she forces herself to come home for the birthday party…and runs into Lucas Michaels, the boy who broke her heart all those years ago. She’d hoped to never see him again, but life—and Nana—has other plans… Lucas is still in love with Jennie—time and distance could never change that. When she left for college, Lucas knew she had big dreams and he didn’t want to stand in her way. Now, forced together to plan Nana’s party, he can’t get her off his mind. Jennie is only in town a little while. Can he convince her to give him one more chance?

A longtime Nantucket resident is trying to make the best of a lonely summer. Her spirited granddaughter is learning what she wants out of life. Unforgettable surprises await them both in this magical, multigenerational novel from New York Times bestselling author Nancy Thayer. “Readers come to Nancy Thayer novels for the idyllic Nantucket beaches and lifestyle, but they stay for the characters.”—Mary Alice Monroe Eleanor Sunderland loves living on Nantucket in a gorgeous cliffside home that has been in her family for decades. Yet this year she can’t help but feel a bit isolated, even as the island comes alive with summer travelers. Her best friend has skipped town, leaving Eleanor lonely and feeling nostalgic about her family’s weekend trips to the island, made less frequently in the years since her husband’s passing. Now her money-driven children complain and beg her to sell her beloved home for a steep payout. Hoping to kick the season off on a good note, Eleanor decides her seventieth birthday may be the perfect occasion for a much-needed reunion. Fresh from her college graduation, Eleanor’s granddaughter, Ari, has just ended an engagement. She longs for a change of scenery and to escape from her parents’ snobbish expectations. Taking advantage of her newfound freedom, she heads to Nantucket to clear her head before graduate school, moving in with her grandmother and taking a job at the local beach camp. As she watches Eleanor begin to form a bond with an old acquaintance, Ari herself becomes smitten with a friend’s charming older brother. But just as grandmother and granddaughter fall into a carefree routine, a few shocking discoveries throw them off course. Eleanor and Ari learn to lean on each other through every new challenge they face in life and love, in this tale filled with Nancy Thayer’s signature Nantucket magic. “Nancy Thayer’s Family Reunion is a wonderful slice of life.”—New York Times bestselling author Brenda Novak

The book’s primary character is William (Will) Farrell. The book begins with eleven-year-old William lusting after his friend Nick’s sister, Sylphie McMillan. A bit later, William sheds a tear as he watches his precious Sylphie drive away with a sleek dude from California. Nick and Will play football together in high school. As an adult, Will reflects on how he meets his wife, lovely Lorna, after a silly accident on the ski slopes. Lorna’s father doesn’t care for Will, especially after Will gets drunk and rides a calf up and down both aisles of their church service. So the couple elope and birth two lovely daughters. After college, William rises to chief engineer at DataComp Inc., and Lorna rises as chief fashion designer at Fashions International. Lorna basks in in the glamor of the fashion world and local society while Will just takes pride in being a competent engineer and program manager. At one point, Will passes a golden new business opportunity to his well-trained business subordinate. Lorna hears of this “passing the buck” by her husband, and considering his lack of interest in rising in the world of society, she proposes that they separate as a first step to divorce and suggests that both of them feel free to date others. Finally, after Will wrestles (and deflates) the huge inflatable dragon at DataComp’s entrance, Court, the company owner, tells Will to vanish for an indeterminate sabbatical. Will then heads off to Bermuda where he plays rugby, deep fishes, and reunites with Sylphie—who has changed her name to a movie actress named Margaret/Maggie Wainwright. The two of them love and battle through a tempestuous relationship before Maggie finally departs Will and Bermuda. Whilst in Bermuda, Will revives his old passion for painting and writing and struggles with a “Portrait of Lorna.” Meanwhile, Lorna begins to tire of the social frenzy and begins to reflect on the many reasons why she had loved her separated hubby, William, for those many years. Realizing that she still loves him, she flies off to Bermuda. (Meanwhile, whilst on the beach, William finally manages to paint a magnificent painting of his first and only love, Lorna). At the end, Lorna scales down the rocks to a secluded beach and discovers William sound asleep in front of the “Portrait of Lorna.” She quietly bends over and kisses William in his sleep. And they hug and kiss and unite in a solemn pact to stay together—forever.

Home at last? Jace Trent is the definition of unsettled. But it’s a lifestyle he’s beginning to outgrow. So when Layla Dempsey returns home to Cupid’s Bow, Texas, it seems like fate. His best friend’s little sister is all grown up and so are Jace’s feelings for her. Everything changes, though, when he realizes that Layla’s been keeping a secret from him—his six-year-old daughter, Addie. Jace is furious at Layla’s betrayal. He’s missed so much of his daughter’s life! Yet how can he stay mad when a future with Layla and Addie is right in front of him. Jace will do anything to gain Layla’s trust—even pose shirtless in her cowboy fund-raising calendar—because he’s not letting the two of them walk out of his life again.
