The Butterfly Mosque is an earnest, heartfelt narrative that describes Willow Wilson's religious, cultural, and professional journey. What strikes me most about the memoir is her clarity of thought at such a young age (I think she's in her mid to late 20s at the time of writing).

Book Review: “The Butterfly Mosque”. by Halimah. Ramadan is quickly approaching, ushering in with it bountiful family iftars, long nights in the masjid, suhoors spent stuffing one’s face until the ardent sound of the melodic athan, mornings devoid of coffee, and hot lazy afternoons spent perched on the couch monitoring the clock for maghrib, or watching mindless TV - where food commercials are seemingly more abundant.

Book Review: The Butterfly Mosque - Muslim Girl

The Butterfly Mosque A Young American Woman's Journey to Love and Islam by G. Willow Wilson The extraordinary story of an all-American girl’s conversion to Islam and her ensuing romance with a young Egyptian man, The Butterfly Mosque is a stunning articulation of a Westerner embracing the Muslim world.

Family is again and again a central theme to The Butterfly Mosque. I believe Wilson takes extreme care to only talk about her family’s love, and often of her in-laws, which makes sense given she’s halfway around the world from her parents. This would be quite a different book if her family also lived in Cairo.

Read: The Butterfly Mosque During quarantine, I have found that I'm spending a lot more time reading. I used to do my best leisure reading on planes or trains, on the beach or by the pool, but since none of those things are happening right now, I'm rediscovering reading as a lovely, screen-free way to spend time on the weekends.
