The Portable Therapist is a valuable tool which helps me to focus on what is important in my life. I found it so encouraging that I bought several copies for friends who have expressed an interest as I told them about some of the topics in this book. A wonderful handbook to keep for reference whenever something might bother me.

Wise County Physical Therapists have broad skills and are able to work with a wide range of symptoms. Following an injury, a body part is often too  
damaged to get better on its own, but not so damaged as to require surgery. In such cases, the doctor will prescribe physical therapy so your injured body  
part can heal itself over time through the ...
