The Sixth Window (DCI Tom Douglas, #6) by Rachel Abbott

"The Sixth Window" proved at least the equal of her latest story. The police figures are credible and don't vie with the main cast for drama. Police procedure is an active presence, but the force of the novel is at the heart of the plot involving Nataleie, her teenage daughter and the two men who feature so strongly in their lives.

While we are approaching the sixth window in this Gallery of The Apocalypse let's do what we have done before: reflect on what we have seen so far. We have seen Jesus, the son of man, now the glorified son of God. We have heard Jesus, dictating messages to his people revealing his thoughts about them.

I was looking forward to reading The Sixth Window because I have enjoyed Rachel Abbott's previous work. In my opinion, this book was not up to the author's usual standard. The ending was particularly weak and unsatisfying. In all honesty, I cannot say that I would recommend this book.

The Sixth Window is appropriately the sixth installment in the DCI Tom Douglas series and for me this series is simply getting better and better. Abbott is obviously far from the only writer producing these very human and grounded thrillers but she's an important author for me because she opened my eyes to them.

Window - another white-knuckle ride of a thriller, with a beautifully complex plot, and a heart-wrenching moral dilemma at its core. The Sixth Window is poised to smash straight into the bestseller charts, just as Abbott's previous novels have done.

There were several characters in The Sixth
Window and the one narrator did an incredibly
thorough job portraying each character with a
personal feel to each of them. Atkins' voice
