\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to change your relationship to money and how to transform your life at the same time. You will also learn : the negative effects of a society whose main value is money; that, contrary to appearances, money does not bring happiness; why you probably use your money in the wrong way; how to get more satisfaction from what you already have; how to be more authentic and give more meaning to your life. Money is the invention that made possible the development of commerce and civilization. As such, it is a necessary tool, which must be respected at its true value. However, today's society has lost sight of its exact role and has erected it as a fundamental and dominant value. No doubt you too think that you don't have enough money and that you would like to earn more. This state of mind is normal and difficult to avoid, because no one really teaches you how to have a healthy relationship with your money. However, living for the "more" doesn't mean "always better". Lynne Twist, who has been actively involved in the fight against world hunger for more than 40 years, has worked with both the richest and the poorest. Are you ready to find out what no one has told you about money? \*Buy now the summary of this book for the modest price of a cup of coffee!

In an age of mounting credit debt, get-rich-quick schemes, and high unemployment, many people are left wondering, "Why am I always struggling with finances? Why can't I seem to get ahead?" While the market is flooded with short-term help, few resources address the root spiritual problems behind money. In a warm, conversational style, CFO and CPA firm owner Stephen K. DeSilva offers a unique, prophetic/supernatural approach to handling money. This respected charismatic leader combines financial philosophy, biblical truth, supernatural deliverance, and prophetic teaching, and also offers related practical and prophetic exercises throughout each chapter. Money and the Prosperous Soul will help every believer struggling with lack to overcome wrong thinking and destructive cycles and learn the biblical and supernatural principles of success. Free online resources make this a perfect resource for small group classes and self-study.

The three steps of salvation in a nutshell are these - becoming a Christian; living the Christian life; and going to heaven. Theologians refer to these three steps as Justification, Sanctification, and Glorification. The first and third steps are instantaneous experiences, but the second step (sanctification) is a life long process whereby the Holy Spirit works in the believer's life to bring about practical holiness and transform his character into the

likeness of Christ. It is this second step of salvation with which the believer struggles, because it requires putting to death the deeds of the body (saying "no" to our sin nature), and obeying the promptings of the Holy Spirit (saying "yes" to God) - this is the essence of spiritual warfare. Sadly, most churches in the West today pretty much ignore the issue of Sanctification, and just focus on Justification - either out of ignorance about what Scripture teaches, or out of fear that living a holy life is essentially "legalism." But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism - legalists think they "gain favor with God" by being good, but believers obey Christ out of gratitude because they already "have favor with God!" The "key" to sanctified living is gratitude! The Bible emphatically describes God as being both loving and holy, yet western Christianity primarily focuses on God's love, and says almost nothing at all about His holiness. As such, the central message of most churches is one of love and forgiveness, with scarcely a word being said about holiness and death to sin and self. Satan is thrilled with our one dimensional Christianity, because it essentially leaves believers lukewarm, impotent and ineffectual. This book presents God's blueprint for spiritual development and portrays the "transformational experiences" every believer goes through in life - they include ups and

downs, highs and lows, peaks and valleys, joy and suffering, victory and defeat - these experiences are the "norm" for every believer; none of us get a painless, trouble-free road to glory. Incidentally, the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation - individuals the evangelical community has long recognized as being "pillars of the faith." To our lamentable regret, however, these teachings no longer have a prominent place in the vast majority of churches in the West. It is time for believers in America today to reconsider the fullness of God's call upon their lives. Donald W. Ekstrand is a retired pastor, adjunct professor, and author. powerful new relationship with their money and bring their dreams to fruition through Dr. Maria Nemeth's dynamic workshops. Now you can, too. In *The Energy of Money*, Dr. Nemeth—who received an Audio Publishers Award for her *Sounds True* series on which this book is based—draws upon her more than twenty years' experience in synthesizing spiritual and practical techniques for managing yourself and your work. Combining a complete self-help and self-discovery regimen with proven methods of money management, this powerhouse guide to prosperity presents twelve principles that will help you to • Uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources • Tame the dragons of driven behavior and busyness • Defuse fears of deprivation and scarcity • Embrace and work through paradox and confusion • Consciously focus your money energy • Clear yourself to receive the energy and support of others and the universe • Develop and stay on your personal path to abundance Through easy-to-follow exercises and meditations, effective worksheets, and other interactive processes, Dr. Nemeth will guide you to financial success and help you manifest your special contribution to the world.

If we understood the true role of money in our lives, writes philosopher Jacob Needleman, we would not think simply in terms

of spending it or saving it. Money exerts a deep emotional influence on who we are and what we tell ourselves we can never have. Our long unwillingness to understand the emotional and spiritual effects of money on us is at the heart of why we have come to know the price of everything, and the value of nothing. Money has everything to do with the pursuit of an idealistic life, while at the same time, it is at the root of our daily frustrations. On a social level, money has a profound impact on the price of progress. Needleman shows how money slowly began to haunt us, from the invention of coins in Biblical times (when money was created to rescue the community good, not for self gain), through its hypnotic appeal in our money-obsessed era. This is a remarkable book that combines myth and psychology, the poetry of the Sufis and the wisdom of King Solomon, along with Jacob Needleman's searching of his own soul and his culture to explain how money can become a unique means of self-knowledge. As part of the Currency paperback line, it includes a "User's Guide" an introduction and discussion guide created for the paperback by the author -- to help readers make practical use of the book's ideas.

When women are empowered with money, they become “difference makers.” They transform not only their own lives but also those of their children, their families, and their communities at large. Author Meriflor Toneatto, an award-winning leadership and coaching executive, shows you how to extend your limits and create the life of your dreams, one that is rich and fulfilling in every way – financially, spiritually, and emotionally. This powerful book explains how money is “emotional currency” and prescribes eight Holistic Principles that help you overcome deep-seated blocks, “pay forward” your own successes, and live the life of your dreams.

selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.
