In Wales, the system was, in some ways, fairer – the land was divided between all of a man's sons, even if they were illegitimate. Less fairly, women could not inherit land at all. The upshot of this structure (known in English law as 'gavelkind ') was that it became difficult for a single individual to build up a coherent estate that he could pass on to one son.

The Wars of the Three Kingdoms, sometimes known as the British Civil Wars, were an intertwined series of conflicts that took place between 1639 and 1653 in the kingdoms of England, Scotland and Ireland – separate kingdoms which had the same king, Charles I. The wars were fought mainly over issues of governance and religion, and included rebellions, civil wars and invasions. The English Civil War has become the best-known of these conflicts. It ended with the English parliamentary army ...

Wales played a prominent role in the Wars of the Roses. A number of well-known figures who were involved in the civil wars had Welsh blood, the most important among them, perhaps, being Henry Tudor, grandson of Owen Tudor of Penmynydd in Anglesey. [ 1] Moreover, some owned lands and estates in Wales and mustered Welsh soldiers for their forces throughout the wars.

Edward fought long wars with the Scotland, his own nobles, Ireland, France and the Welsh. And though, I am sure many believe Scotland was his prime focus, it was really secondary to his controlling Wales. When Edward came to the throne in 1272, he was a warrior-prince tested, and he carried that into being a warrior-king.
