The registration is the date the vehicle was first registered in the UK. It is possible for it to have been manufactured the previous year but not registered, and import vehicles may not have the correct year specific registration number. You cannot fit or assign a number plate to a vehicle that is older than the registration identifier.

~~For example, a registration plate starting with 'B' comes from Birmingham, while one starting with 'L' was registered in London. The two numbers are the year identifier, as explained above. You cannot fit a registration plate carrying a newer year identifier than the actual age of your car. You can, however, fit older plates.~~
